

Please add a provision to the Police Accountability Bill stating that:

"Any individual found responsible for engaging in violent protest, including but not limited to acts of arson, attacking police, pointing lasers at authorities, destroying property, blocking traffic, or attacking or harassing bystanders shall automatically be rendered ineligible for all forms of government aid including but not limited to the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families, housing assistance (Section 8 or other), Supplemental Security Income, utility assistance, free commodities, and federal student loans. Further, any individual charged with such crimes outlined above shall be prevented from entering a plea deal before a judge. Individuals convicted of such crimes will, in addition to imprisonment, be held financially accountable for any damages they cause, to both person and property."

(The WIC Program should be excluded from this provision.)
